

CALL FOR PAPERS

ISQED 2013

14th International Symposium & Exhibits on

QUALITY ELECTRONIC DESIGN

March 4-6, 2013. Santa Clara, CA, USA

Paper Submission Deadline: Sept. 12, 2012

Acceptance Notifications: November 24, 2012

Final Camera-Ready paper: January 10, 2013

A pioneer and leading interdisciplinary electronic design and semiconductor conference, ISQED accepts and promotes papers in the following areas:

- ❖ *System-level Design, Methodologies and Tools*
- ❖ *FPGA Architecture, Design, and CAD*
- ❖ *Design of Embedded Systems*
- ❖ *Advanced 3D ICs and 3D Packaging, and Co-Design*
- ❖ *Robust and Power-conscious Circuits and Systems*
- ❖ *Emerging/Innovative Device Technologies and Design Issues*
- ❖ *Design of Reliable Circuits and Systems*
- ❖ *IP Design, Quality, Interoperability and Reuse*
- ❖ *Design Verification and Design for Testability*
- ❖ *Physical Design, Methodologies and Tools*
- ❖ *EDA Methodologies, Tools, Flows*
- ❖ *Design for Manufacturability/Yield and Quality*
- ❖ *Effects of Technology on IC Design, Performance, Reliability, and Yield*
