## ISQED 2014
## 15th International Symposium & Exhibits on

# QUALITY ELECTRONIC DESIGN

### March 10-12, 2014.  Santa Clara, CA, USA

**iSQED**
**www.ISQED.org**

**IEEE** — IEEE COMPONENTS, PACKAGING AND MANUFACTURING TECHNOLOGY SOCIETY — CPMT — CAS IEEE CIRCUITS AND SYSTEMS SOCIETY — Electron Devices Society — ReliabilitySociety

**Paper Submission Deadline: Sept. 14, 2013**
**Acceptance Notifications:  November 25, 2013**
**Final Camera-Ready paper:  January 10, 2014**

A pioneer and leading interdisciplinary electronic design and semiconductor conference, ISQED accepts and promotes papers in the following areas:

- ❖ *System-level Design, Methodologies and Tools*
- ❖ *FPGA Architecture, Design, and CAD*
- ❖ *Design of Embedded Systems*
- ❖ *Advanced 3D ICs and 3D Packaging, and Co-Design*
- ❖ *Robust and Power-conscious Circuits and Systems*
- ❖ *Emerging/Innovative Device Technologies and Design Issues*
- ❖ *Design of Reliable Circuits and Systems*

- ❖ *IP Design, Quality, Interoperability and Reuse*
- ❖ *Smart Sensors Design and Technology*
- ❖ *Design Verification and Design for Testability*
- ❖ *Physical Design, Methodologies and Tools*
- ❖ *EDA Methodologies, Tools, Flows*
- ❖ *Design for Manufacturability/Yield and Quality*
- ❖ *Effects of Technology on IC Design, Performance, Reliability, and  Yield*

Papers are published in ISQED proceedings and will be submitted to IEEE Xplore. Please visit www.isqed.org for more information.

## Leading Innovation & Quality in Electronic Design
