16th International Symposium on Quality Electronic Design – ISQED 2015

Santa Clara Convention Center, Santa Clara, CA

Conference Dates March 2-4, 2015

International Symposium on Quality Electronic Design (ISQED) celebrating its 16th year as the premier conference devoted to innovation and Quality in design of electronic circuits and systems.

ISQED is a not-to-miss opportunity for the worldwide community of circuit and system designers, semiconductor technologists, system integrators, packaging & test professionals, validation engineers, CAD managers, senior managers, executives, researchers and academics.

The 16th ISQED will be held at the Santa Clara Convention Center in Santa Clara, CA, from March 2-4, 2015. The conference is held in technical sponsorship of **IEEE CAS, IEEE EDA, IEEE CPMT, and IEEE Reliability Society**. All past ISQED papers are available through **IEEE digital library Xplore**.

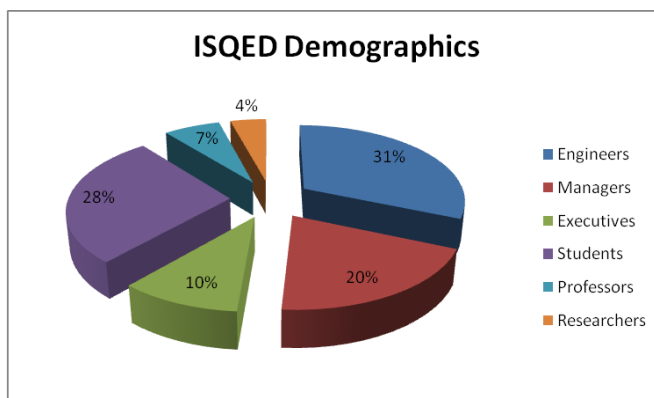

Maximize your visibility to those passionate about design quality – over 650 attendees.

- 15th year of repeated success in attracting more than **100 quality papers** and over **600 engineering professionals**.
- **Keynote and tutorial speaking opportunities** throughout the 3-day conference for premier sponsors.
- Tuesday awards luncheon recognizes individuals who have made significant contributions to quality in the electronic design, providing the sponsoring company with an **exclusive** opportunity to sponsor this luncheon and speak to the audience
- Best papers, Quality Quest, and IQ awards to be presented at the Tuesday awards luncheon, presenting your company with a unique opportunity to associate **your company's brand** with quality award winners.

Maximize your sponsorship ROI

In addition to the specific benefits, outlined in following pages, for each sponsorship category, your company sponsorship ROI is increased since:

- Your message is delivered to over **600** engineering professional who attend this event
- ISQED is the only conference sponsored by **4 IEEE societies** with total global reach of over **150,000** members
- ISQED email list includes over **100,000** engineering professionals worldwide. We use this list to frequently promote the event and our sponsors
- ISQED committee near **250** experts from the industry and academia where they can be potential customers of your products and services and influence many others
- The conference has established reputation in technical quality of papers and presentations
- The conference is co-located with other reputable events: "SensorsCon" and "Interdisciplinary Engineering Design Education" conferences. Cross marketing with these events provides additional publicity for your company.
